11th May 2020

In memory of Anthony J. Tabone

The Malta Chamber of Commerce, Enterprise and Industry salutes the memory of Mr Anthony J. Tabone, former Senior Vice President of the Federation of Industry (2004-2008), prior its merger with the then Malta Chamber of Commerce and Enterprise.

As the numerous eulogies attest, apart from being a successful man of business, Mr Tabone was an upstanding example of ethical conduct. May his memory be a testament to honesty and integrity for all persons in business and public office.

The Malta Chamber sends its sincere condolences to all Mr Tabone's family and loved ones.
