

THE MALTA CHAMBER

PRESS RELEASE

28th September 2021

The Malta Chamber condemns shocking and inhumane act

The Malta Chamber condemns the vile lack of humanity shown earlier today towards the foreign worker who was left on the side of the road following a construction accident.

The Chamber has always advocated fair and equal treatment of all workers regardless of nationality across all sectors of the economy.

The Malta Chamber calls on all relevant stakeholders and authorities to immediately carve out a strategy to tackle this issue in a holistic manner.
