Malta Chamber Congratulates New Malta Enterprise Chairman

The Malta Chamber of Commerce, Enterprise and Industry congratulates Mr William Wait on his appointment as non-Executive Chairman of Malta Enterprise.

Mr Wait comes with a long and prestigious career in business and industry and has for many years participated actively in the Chamber's own Board of Management, Council, Manufacturing Economic Group and other committees.

The Malta Chamber is satisfied that yet another entrepreneur, with an active past within it, is being entrusted with the helm of one of the country's most important organisations in the fostering and generation of business in Malta.

Whilst thanking the outgoing Executive Chairman for his valued contribution, the Chamber looks forward to the further strengthening of this already excellent relationship with Malta Enterprise.
