The Malta Chamber follows up established contacts in Oman

The Malta Chamber of Commerce, Enterprise and Industry recently participated in the "Business Opportunities Forum" in Muscat, Oman following an invitation received from the Omani Chamber of Commerce and Industry. The participation was made possible with the support of the Ministry of Foreign Affairs, Trade Malta and Malta Enterprise.

Eight Maltese Companies representing various sectors participated on a Malta Stand set-up at the forum from where various contact were made and others followed up. The delegation which included Malta's Ambassador to Oman H.E. Joseph Mangion, also had meetings at Bank Muscat as a follow-up to meetings held both in Oman and in Malta earlier this year.

In the meantime a delegation from the Bank's SMEs department has visited Malta for talks with Malta Enterprise and a delegation headed by the Bank's CEO Mr Andul Razak Ali Issa will be visiting Malta in April 2016.

This mission falls in line with the efforts of the Chamber's Middle East Business Council to work towards creating further visibility for Malta in the region, and the MOU signed between the two Chambers recently.
